

TEAM ESFACE 2016-17 WINTER COMMITMENT EXPECTATIONS

TrueLeague Players - Spring/Summer & Winter Seasons Only

TrueLeague is an experience that will allow your player to develop their skills and IQ through elite coaching, while participating in high level competition every Friday Night, practices with their team and an opportunity to sample the AAU tournament circuit. Below are the commitment expectations we expect of every TrueLeague Player.

- **Attendance at Every Game Day of their Season.** TrueLeague Friday games are 60 minutes in length.
- **Dressed in a Team Esface TrueLeague Uniform Every Game.** Because this is a TrueLeague, officials, coaches and players need to be able to identify you with both your jersey and jersey number.
- **2 Mandatory Practices Each Week.** Each practice will be 60 minutes in length and we expect players to be at every practice unless there is an emergency (family, school or health related). There will be 1 practice on Tuesdays OR Thursdays depending on your team's schedule and the other practice will take practice right before your Game.

AAU Players - Winter Seasons Only

Being a part of our AAU program carries the most responsibility and the biggest time commitment of being a part of Team Esface. Below is the list of commitment expectations we expect of every AAU player.

- **2 Mandatory Practices Each Week.** Each practice will be 90 minutes in length and we expect players to be at every practice unless there is an emergency (family, school or health related). There will be 1 practice on Tuesdays OR Thursdays depending on your team's schedule and the other practice will take practice on Saturdays OR Sundays on non tournament weekends. During weeks that have 1 tournament, players only need to attend their 1 offered practice for that week.
- **6 Local Tournaments and 1 Travel Tournament (Portland 16th - 20th).** Each local tournament will either be 1 or 2 days on the weekend and will consist of 2 - 3 games. Tournament weekend's we suggest freeing up schedules as game times can range from 8:00am to 7:00pm on Saturday and Sunday around the bay.
- **Our Winter AAU Season's Duration is April 4th - July 24th.** We expect every player who joins our AAU team to be a part of the entire season from start to finish.
- **1 Mandatory AAU Power Hour per week.** These clinics will be for all of our AAU players to compete against other elite athletes and will be 90 minutes in length.
